Tour Itinerary
All timings noted on your Tour Itinerary are **local** times. Your Tour Manager will advise all daily departure details, any changes and you should watch for information on the website. We are creating a WhatsApp group for group messages.

Ground Rules for Group Movements.
The greatest problems on tour come down to patience and punctuality.

Dealing with large numbers of people whether checking into a hotel, meals, attending sightseeing activities, etc can take an exaggerated length of time and the assistance and understanding of those on tour is expected and appreciated.

Baggage Allowance
A suitable sized Back Pack or Sports Cabin Bag can be taken into the cabin on the plane but please do not overload it. Maximum size is 114 cm (H – L – W) with a limit of 7 kgs only and should contain a change of clothes (in case your main suitcase goes missing) and personal items used for daily activities. Be aware of prohibited items (liquids, sharp items, etc).

Your suitcase has maximum weight 30kgs for Air Fiji and QANTAS. **That is one bag of 30kgs**, no longer can you have multiple bags that make up to 30kg.

VIRGIN is 23 kgs with 7kgs for carry-on.

Golf Bags
Golf bags should be in a secure carry case and can be checked in as oversize baggage. If you do not have a non-playing partner with you, it is best to purchase additional baggage prior to departure day. More details with Bruce if you need.

Language & Customs
Fiji has its own local language but English is prominent in all areas. Maybe it is a good idea to learn a couple of words… **Bula** means hello and **Vinaka** is thank you. Apart from the language they have some interesting customs so please respect their way of life and enjoy their kind hospitality.

Airport Security
Be aware of increased security checks operating at **all** airports and this can increase check-in time and procedures. Special additional inspections are made of hand luggage and, in particular, screening for sharp implements and fluids or aerosols. Liquids & gels must be 100ml or less and be held in a zip lock plastic bag. **Ensure items such as nail scissors and any other sharp objects are stored in your check-in luggage.**

On return to Australia it is quite common for players to be inspected for dirt on golf shoes. Please ensure all clothing and equipment is clean before arrival into Australia.

Travel Insurance
It is ***mandatory*** for all tour members to have comprehensive travel insurance policies. If you purchased Travel Insurance from Ultimate Sports Travel, the Covermore contact documents have been emailed to you. If you have other personal Travel Insurance you must advise Ultimate Sports Travel and a good idea to bring a copy with you.

Local Guides and Associates
These people know the local customs and it is advisable to listen to their commentary and observe the recommendations to ensure an enjoyable time for all. If you visit a local village, follow any instructions and we have Sulu's available if requested.

Time Zone and International Dialling Codes
Noted in your tour itinerary are flight details and hotel addresses with phone numbers.
The International calling code from Australia is +679 and from Fiji +61.
Apparently, Fiji is NOT participating in daylight saving this year. (But that could change).

When it is 8pm in Nadi, Fiji it is …
Sydney & Melbourne 7.00pm Brisbane 6.00pm

Passports:
Passports are your most vital document and must be kept in a safe place at all times. It is a good idea to keep a copy of the front page of your passport in your phone. In case of an emergency whilst you are away, it is important to write into your passport the name and phone number of an Australian contact person. Your passport has a page that allows for this.

Medication and First Aid:
All medication, tablets, etc should be in their box in a zip sealed plastic bag and a letter of instruction as to what it is for and who is to use it and a copy of the script.

Illness & Injuries:
Please report all illnesses and injuries to our staff. Early treatment will ensure prompt attention and (hopefully) a brisk recovery.

Social Media:
Inappropriate use of Social Media will not be tolerated and dealt with severely. This includes but not limited to Facebook, WhatsApp, Instagram, Snapchat, websites, forums or emails and text messages.

Misbehaviour:
All on tour are representatives of Australia and Ultimate Sports Travel & Events and it is expected will act accordingly with exceptional manners and courtesy of local customs and directives. Consequences can be very severe for failure to uphold the standard required.

Any damage caused will be at the responsible person's expense.

Accommodation:
The accommodation in Fiji is an impressive resort facility. Please note we are not the only guests and as such need to respect fellow travellers. The hotel has a visual security system with camera detections and Security Guards over many parts of the resort.

Unnecessary Noise must be kept to a minimum especially at the accommodation and in public places.

Radisson Blu is a cashless resort and you will be required to provide credit card details for any incidentals charged back to your room.

NOTE: Alcohol purchased for personal use in the room cannot be consumed outside the room. This means at the Sunset Bar, Pool areas and Lawns, etc.

Punctuality:
Please be early. I know it's Fiji time, but we need to get buses moving and will be starting our functions and games as close to time as possible.

Calling Home:
Most Australian mobile plans have availability for international roaming. Usually $5 per day Telstra / Vodaphone. Internet is available FREE for guests in the Radisson Blu Resort. The use of WhatsApp, Facebook Messenger, skype are ways to keep in touch with home.

NOTE: With so many guests in the resort the internet will struggle at times to cope with the volume.

Items of value:
Individuals are responsible for the safe keeping of all items of value such as Money, Mobile phones, Camera's, ipads, etc. Just because the room door is shut, put your valuables away.

Electricity:
Electricity is 230V and 50 Hz with same pin sockets as Australia.

Currency
It is recommended to carry some Fiji dollars in cash (small denominations) – usually available at your Australian International departure Airport or your local bank. Credit card facilities and an ATM are available at the Resort.

Please do NOT exchange currency on arrival at the airport in Fiji. This will delay the group. Our staff will be guiding everyone onto the transfer buses.

The local currency in Fiji is the Fiji Dollar - approximate exchange -

FJ $ 1.00	=	Au$0.69	Au$1.00	=	FJ $1.38

General information

- The **climate** in Fiji is hot in December with an occasional afternoon rain shower. The days can get very hot so keeping in the shade is advisable. Daily temperature is up to 35C and the nights around 20C degrees. BRING an effective SUNSCREEN and drink lots of bottled water. Gatorade in powder form or Hydrolytes are a good idea.

- **Mosquito's** – yes, they have them as well. Please bring repellent to make your stay more comfortable.

- **Bus Driver** – has to be your best mate and will certainly make the tour run smoothly. They are experienced in working with groups and will assist you to get to all your appointments on time. No food to be consumed on the bus. Upset them and they will take the longer scenic route. ☹

- **Meals** – We have included some meals for both players and supporters. If you have advised us about special dietary requests, we will pass this information on. It's always good to experiment with the local customs and foods.

- **Water** – I know it's hot, but please do not pour bottled water over your head. We recommend you only drink bottled water. Pre order your cases of bottled water from Bruce who will have them in Fiji ready for collection.

- **Transfers** – Prepaid members ONLY will be permitted to travel on the Tournament buses as provided by Ultimate Sports Travel. This is an insurance issue as much as common sense. In some cases, name checks will be made (i.e. from the airport, departing hotels and sporting facilities). Buses will NOT be permitted to make unauthorised stops. Ultimate Sports staff will direct bus departure times & limited stops.

- **WhatsApp** – we have created a whatsapp for the Golf group. This is to provide an additional method for information to players and supporters for game times, bus departures, meals and so on. It is not a forum for trivial discussion or complaints. Room 230 is available for that.

- **Facebook** – be sure to join our Golf Facebook pages for updated information and photo's.

- **Photography & Video** - In permitting myself to attend and participate in Ultimate Fiji Golf Cup as a Player or Supporter, I understand that my photograph/video may appear in publicity or brochures marketing the Ultimate Sports Travel & Events programs. I understand that there are no rights granted to me to inspect or approve photographs/video prior to publication.

NOTE: On arrival in Nadi Airport, Fiji and after clearing customs and immigration, look out for our staff who will be on hand to direct you to the transfer buses.

FIJI CUP HEADQUARTERS – is at room 230 in Radisson Blu Resort.

Call in to say hi to the **ULTIMATE FIJI CUP HAPPINESS TEAM**.

The team at Ultimate Sports Travel *& Events* extends their best wishes and trusts that you will have a safe journey. We wish players all the best of luck in the games and know you will enjoy the Fijian hospitality.
