General Pool and Water Slide
Common sense must prevail.
The toddler's pool is for our younger guests.
This means the water slide is limited to younger persons because built for smaller persons.

Pool Water Sports
Be sensitive to other persons using the pool.
Everyone wants to enjoy the facilities so limit over enthusiastic games.

Use the Hand Sanitiser regularly.
Especially when entering meal locations.

Shower BEFORE going into the pool.
Shower on return from games – sweaty bodies in pool = YUK!

Bring a wash bag to make sure you don't mix your socks and jocks with others.
Bringing **Washing tablets** is better than washing powder (Get through customs a lot easier)

If you are two persons you will be in a **Guest room**.
Just like a motel room with King Bed or Split King beds (twin).
Bathroom, small table, etc.

Otherwise, you will be in a **One Bedroom suite**.
This is actually two rooms with full kitchen, dining table, washing machine and dryer.

Some will have a **Two Bedroom suite**, this is both a Guest and One Bedroom together.

ATM Machine
This is in the front foyer.
Exchange rate is quite ok for limited sums of cash.
