NEWSLETTER TWO

ULTIMATE FIJI GOLF CUP RULES

Bula,

Natadola Bay GC and Denarau Resort GC both offer challenges for the low markers through to those with a generous handicap.

As is expected, the tournament encourages players to respect the rules of the game.

Make yourself familiar with the local rules of the day with some of those listed below.

For any questions refer to the Tournament Directors, Bruce Tilt and Brendan Barnes.

Tournament is open to Male and Female players.

To be eligible for the competition prizes an AGU Handicap is required.

Social golfers are welcome but ineligible for the major prizes unless they have registered 6 cards and a handicap designated by the Tournament Directors.

(Without an AGU, you can still win the par 3's and enjoy some great company)

AGU Handicap must have at least 6 score entries in 2026 to validate handicap

Format: Individual Stableford.

Shotgun starts.

Nearest the pin prizes on all Par 3 holes.

Preferred lies (6" or 15cm) on fairways only.

How to speed up play

Carts are included – please drop off your mate and go to your ball.

Understand your distance.
If you cannot reach the green (when others are putting out), have a go!

Ready Golf = anybody can hit/putt first in your group.

Keep searches short.. the Fijian families will sell you a ball for a dollar!

OUT OF BOUNDS… Drop on fairway parallel to entry into OB = 2 stroke penalty.

RED STAKES = point of entry, not parallel to where the ball may have landed.

Scoring
We will be using printed score cards due to the limited internet access.

Daily winner prizes.

Tournament Champions for Male and Female.

Brendan Barnes (our touring pro)
Brendan will be playing in different groups each day.
Due to golfer numbers, he may not be able to play with everyone.
Brendan is permitted to give advice in the rounds.
Brendan is also available to discuss your game and add tips to assist.

Brendan will advise any updates prior to the days play for local rules, etc.

Let me know if you have any questions.
