Once at the resort we will have an orientation information meeting to ensure all Players and Supporters are aware of the facilities and meet with the Team Ultimate Staff.

Free time till mid-afternoon we gather at Denarau Golf Club, just a 5 minute walk.
Test your putting and chipping skills in a light hearted competition.

Lots of options for dinner with Radisson Blu having an award-winning Thai Restaurant or maybe the Lebanese is more your style. Don't forget to wear your lanyard for 15% off food and drinks in Radisson Blu.

Golfers are arriving at all times of the day. Looking forward to meeting up.

Tuesday 01 DEC **Denarau** (Breakfast & Dinner)

Maybe an early swim before breakfast for the keen ones and then just a 5-minute walk across the road to Denarau Golf Club.

Brendan is keen to start with a putting competition to allow players to get familiar with the greens.

Don't be fooled by the resort status of this open layout. Mid fairway creeks can sneak up on you and add more strokes to your round than expected.

Enjoy the open-air golf club for a beverage after the game as the scores are tallied.

Expect the supporters to line the 18th Green to cheer you home… maybe?

Wednesday 02 DEC **Denarau / Natadola Bay** (Breakfast)

After breakfast the players head up the coast to Natadola Bay Golf Course.

Pass through local villages as you hug the coastline.

Natadola Bay is considered one of the dream golf courses of the Pacific and home to several international competitions including the Fiji Open. From hilly inland escarpment to winding your way beachside. This is a test for all handicap levels but also a most enjoyable challenge.

Thursday 03 DEC **Denarau** (Breakfast)

You will be used to "Fiji time" as we return to Denarau Resort GC. Relaxed and super keen to better your last performance.

Expect today to be when the stars will shine!

For those who are keen, Brendan will be conducting a clinic on chipping prior to today's game. Could be just what you need to tidy up around the greens and move up the leader board.

Results will be announced in the clubhouse after the round.

Dinner options tonight include checking out Port Denarau. Around 20 restaurants located here with amazing variety from Seafood, Indian to Italian, and the local Fijian cuisine!

Friday 04 DEC **Denarau / Natadola Bay** (Breakfast and Dinner)

I expect plenty of chatter around the breakfast table today. Psychology in golf can be a winner and also elevate you to your 'A' game.

Our final tournament day brings us back to Natadola Bay Golf Club. The wind can play tricks for some while others will flourish.

Hope your form has held up and you're in the running for a podium finish. Or is the Bradman Award more you're fancy!

After your game enjoy a quiet refreshment at the golf club whilst watching the final groups return.

Group dinner tonight for players and supporters is going to be special. Sailing from Port Denarau out through the heads to watch the sun set over the outer islands. Dinner and drinks are included. I can hear the stories now.. "plenty of if only".

Saturday 05 DEC **Denarau** (Breakfast)

Last goodbyes to your new friends for those heading home.

Radisson Blu is a magical resort and I hope the golf has been challenging but enjoyable.

If you are extending your stay, enjoy!

Thank you for being a part of the 2026 Ultimate Fiji Golf Cup.
